

Reissue 10/081,659 continuation of 09/224,620 (US Pat No. 5,590,342)

I am not giving you any detailed notes here because you are familiar with the practice from the parent.

Just a few comments:

(1) Look at MPEP 1451 and Reissue Guide as to the treatment of continuations. (For example, application must be amended to contain a reference to all others.)

(2) watch out for a "no error" reissue

Please return this note and include the parent case (when submitting the action for review) to expedite the review process. If you have any questions call me. Thank You.
